

Library Advisory Committee for the Academic Year 2023-24

Preamble

Library advisory committee plays an advisory role regarding the library on matters of general policy, planning, programs, goals and objectives in its support of teaching, learning, research and needs of the institute.

Objectives

- 1) To develop collection of reading material useful for course.
- 2) To provide full information support to the teaching-learning process in the institute.
- 3) To provide various library services and facilities to the readers.
- 4) To support research activity for its progress and qualitative development.

Functions

- 1) To provide value added suggestions for updating the library collection viz. Journals, magazines, books, e-databases and newspaper etc.
- 2) To seek feedback on library functions and suggest areas of improvement towards modernization and development.
- 3) To guide the library team in formulating general policies and regulations which govern the functions of the library.

Frequency of the Meeting

At least two times in an Academic year.
