MCX IMERT FDP on “Commodities Markets”

Faculty Development Program on **Commodities Markets** in association with The Multi Commodity Exchange of India Ltd. (MCX) was organized on 8th June 2018 (Friday) at IMERT, Pune for the Commerce and Management faculty members.

The trainer for this program was MCX approved trainer from the Commodities Markets domain. Joint certifications were issued to the participants after successful completion of the program by MCX and IMERT. This FDP was to inform, educate and train people who were interested in learning and engaging in the commodity derivatives market and was a great knowledge sharing experience.

No registration Fee was charged from the participants. This faculty development program was financially supported by MCX-Investor Protection Fund.

After registration of the participants from various Management Institutes from Pune in the morning the FDP was inaugurated by **Mr. Sampath Iyer**.

For the FDP there were 38 registrations including two internal faculty members out of which 23 participants attended the programme. The MCX approved trainer **Mr. Shrikant Koundinya** conducted the sessions being experts from the Commodities domain.

Topics such as Basics of Commodities Markets, Commodities Derivatives, Warehousing and Delivery were delivered by the trainer in a full day program.

The program was concluded after certificate distribution and vote of thanks.

FDP Inaugural address by Mr. Sampath Iyer

Session of Mr. Shrikant Koundinya, MCX Trainer
