A Report on EBSCO e-Database Training Session

The training session of EBSCO e-database for MBA students' was arranged on 09/03/2024 at Language lab of our institute.

Mr. Gaurav Date sir the trainer from EBSCO International Inc Company. Mr.Gaurav Date provided basic information about EBSCO e-database to the students. EBSCO is a leading provider of research databases, e-journal and e-package subscription management, book collection development and acquisition management, and a major provider of library technology, e-books solutions for universities, colleges, hospitals, corporations, government and public libraries worldwide.

Mr.Gaurav Date guided students' about various resources available viz., Case Studies, company profiles, e-books/ Book chapters, SWOT analysis, industry profiles, financial reports and Market research reports in EBSCO e-database.

Mr.Gaurav Date sir explained about basic search and advanced search to the students'. In advanced search he explained about how to use Boolean/ Phrase search, find all my search terms, find any of my search terms and Smart text searching to get maximum relevant information about subject. He made all the students comfortable and students interacted with him by asking their queries pertaining to various e-resources and applications of e-database. He addressed all the queries satisfactorily and with an enthusiasm.

This training session will be helpful for students to understand various e-resources available with EBSCO e-database and how to use it effectively for their SIP Research work.
