International Women's Day celebration

MM's IMERT celebrated International Women's Day on 08.03.2017.

Mrs. Shilpa Budukh, Founder , Mamta Foundation was the guest of Honor. 'Mamta' is a project for the welfare of HIV positive children and women. Mamta shelters 30 children and 5 women in a 2500 sq.ft. area Bungalow at Kondhwa in the Pune city, Maharashtra state, India. The primary aim of the foundation is to increase the life span by providing high protein diet, nutritional support and medical treatment, bring them in the main stream by providing basic education and exposure to society, provide rehabilitation, community health, women empowerment and spreading awareness and enabling social acceptance.

Mrs. Burukh spoke on strengths and multiple abilities of a woman. She motivated the entire gathering by sharing her valuable experiences in the field of social service.

The programme was further taken over by students of IMERT who arranged various games for the girl students. The programme got over by felicitating girl students by the hands of Guest of Honor.
