Report on Session with Faculty Master class With KPIT.

KPIT organized **Faculty Master class With KPIT** in which faculties from the nation's top MBA colleges graced our campus in Pune with their presence. At KPIT, they believe in nurturing the bond between industry and academia, cultivating it as a crucible for talent. This masterclass was an initiative aimed at making this belief a reality. In this year's inaugural cohort, our leaders shared their perspectives on the ever-growing importance of bridging the gap between academic and industry collaborations, discussing intricate strategies in recruitment decisions, overcoming challenges, and much more. This day holds immense significance for us, and we're already looking forward to the next cohort. From MM's IMERT Prof. Aparna Shastri and Prof. Vivekanand Gaikwad attended the full day Faculty Master class With KPIT on 19th Aug. 2023
