**SC/ST COMMITTEE 2021-22**

**Preamble:**

India is a country of diversity. It is a hub of different religions, castes and cultures. However, the Indian society is characterized by a highly-entrenched system of social stratification. Social inequalities have led to denial of access to materials, cultural and educational resources to the disadvantaged groups of societies. Higher education is a tool for social and economic equality; therefore, the institute has constituted SC/ST Committee which would help in eliminating the social disparities.
