International Women's Day

IMERT celebrated International Women's day on 8 March 2022. **International Women's Day (IWD)** is celebrated annually on March 8 as a focal point in the women's rights movement, bringing attention to issues such as gender equality, reproductive rights, and violence and abuse against women. International Women's Day is commemorated in a variety of ways worldwide; it is a public holiday in several countries, and observed socially or locally in others to celebrate and promote the achievements of women.

IMERT organised a program on this event, in which speeches were delivered by staff and students in line with contribution of women in uplifting of society since ages. The program commenced with welcome address by Director Dr Shubhangee Ramaswamy, followed by speeches and poems by students and staff. The women staff members from IMERT were felicitated with gifts as a token of appreciation.
