Report on Simulation Workshop for HRM Specialization for
Organisational Behaviour: Leveraging Networks

A Simulation Workshop on Organizational Behaviour: Leveraging Networks was organized for HR faculties on October 23, 2024, at 11:15 a.m., providing an immersive experience in simulation technology and its applications

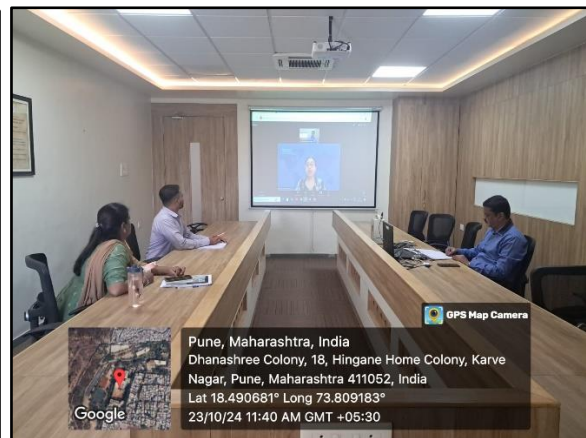

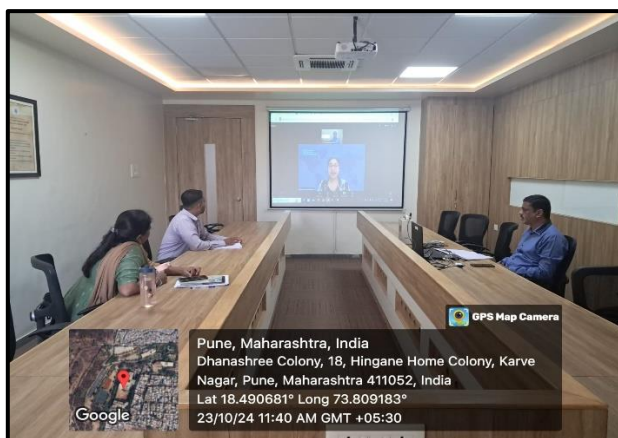

The simulation workshop aimed to showcase cutting-edge technology and its applications The session was designed to provide participants with an immersive experience.

Followings are the key takeaways;

1. Understanding of simulation applications
2. Familiarity with simulation software

The simulation workshop received overwhelmingly positive feedback, with participants describing it as engaging and informative, successfully meeting its objectives.

The HBSP simulation workshop was successfully coordinated by Dr. Mangalgouri Patil and Prof. Rucha Taware.
