

## Visit to Apla Ghar – NGO for parentless children

An ISR activity was conducted on 25<sup>th</sup> March 2022. Students of ISR committee along with Prof. Aparna Shastri visited Apla Ghar- an orphanage for children. Apla Ghar provides shelter, food and education to 55 economically backward parentless children, who are housed at two locations, Warje and Donje. The children attend regular schools affiliated to Maharashtra State Board for Secondary and Higher Secondary Education. Children are being trained in various vocations like stitching, printing, handicraft, carpentry, electrical wireman etc. Various social activities organized at their centres inculcate social, moral and cultural values in the children.

Marathwada Mitra Mandal's Institute of Management Education Research and Training donated grains and daily essentials to Apla Ghar based on the requirement shared by the NGO. 1 Faculty and 4 students participated in this activity.
