Awareness session on Tribal Development and Welfare as a Celebration of Jan Jatiya Gaurav Diwas

The tribes constitute over 8% of the country's population. This is a very significant number. In real terms it corresponds to over 10 crore Indians. As the guardians of scientific knowledge and caregivers of natural resources, tribes play an essential collective and communal role. As a celebration of Jan Jatiya Gaurav Diwas, Marathwada Mitramandal's Institute of Management Education Research and Training conducted an awareness session on "**Tribal Development and Welfare"** on Friday,24th November 2023 for the students and faculty members. Mr. Mahesh Bhuskute and Mr. Prakash Hari Khichade from Janjati Kalyan Ashram – NGO in Nashik gave detailed information about Bhil, Gond-Madia, Katkari, Koli, Oraon, and Warli tribes of Maharashtra. They also briefed about various initiatives by their NGO for the development and welfare of the Tribes. 13 participants including faculty and students attended the session and gained information about the prominent tribes of Maharashtra.
