Poster Making Competition for creating Voting Awareness

Marathwada Mitra Mandal's Institute of Management Education Research and Training had organized a Poster Making Competition from 13th November to 16th November to create awareness about voting. A poster making competition was an engaging and effective way to raise awareness about the importance of voting, particularly for first-time voters. The competition gave a platform to showcase creativity of the students to communicate the significance of voting, democratic participation and civic responsibility. By creating a platform for individuals to express their ideas through art, this initiative helped to educate and inspire students to exercise their right to vote. 7 students participated in the competition.
