### **Report on Program on Intellectual Property Workshop**

A Workshop on Intellectual Property (IP) was organized by MM's IMERT in association with FMCIII on 23rd July 2025 to enhance awareness and understanding of intellectual Property Rights among faculty members and students. The primary objective of the session was to impart foundational and practical knowledge related to IP laws, patent filing, copyrights, and innovation protection in academic and professional settings.

#### **Objectives of the Workshop:**

- To create awareness about Intellectual Property Rights (IPR)
- To understand the significance of patents, copyrights, trademarks, and designs
- To explore the role of IP in Academia, Research, and Entrepreneurship
- To provide insights into the process of filing and protecting IP

The session was conducted by Mr. Edwin Selvaraj, an esteemed expert in the domain of Intellectual Property Rights, with years of experience in legal consulting, patent drafting, and IPR education.

The workshop witnessed active participation from all the faculty members. The interactive nature of the session encouraged meaningful dialogue, and the attendees appreciated the relevance of the topic in the current educational and entrepreneurial landscape.

The workshop was successfully coordinated by Prof. Vivekanand Gaikwad, Convener of the MoE IIC Cell at MM's IMERT, and anchored by Prof. Pranjal Jadhav. The event was organized with the active support of the IMERT team and under the esteemed guidance of Dr. Shubhangee Ramaswamy, President of the MoE IIC Cell at MM's IMERT.
