The screenshot shows a Google Meet interface with a presentation slide titled "Objectives of the Session". The slide content is as follows:

- Concept of Single-Use Plastic (SUP)
- Environmental impact of single-use plastic
- Learn to identify Single-Use Plastic around us
- Explore sustainable alternatives to Single-Use Plastics
- Build habits to reduce and eliminate SUP usage
- Encourage collective responsibility

The slide also features an image of a globe surrounded by white plastic waste (forks, spoons, cups) on an orange background. The meeting controls at the bottom show the time as 3:20 PM and the meeting ID as gbk-khjh-dyy. The participant list on the right includes SAGAR LAK..., Deepali Mah..., Amruta Kahl..., Jaydatta Ba..., 27 others, and aparna shas....

The screenshot shows a Google Meet interface with a presentation slide titled "What is Single-Use Plastic?". The slide content is as follows:

- Plastic designed to be used once and thrown away
- Examples: Straws, cutlery, wrappers, bags, PET bottles
- Lifespan in environment: 450–3000 years

The slide also features an image of various single-use plastic items (straw, fork, spoon, bottle) on a purple background. The meeting controls at the bottom show the time as 3:30 PM and the meeting ID as gbk-khjh-dyy. The participant list on the right is the same as in the previous screenshot.

## Session on "Eliminating single-use plastic from daily life" under "Mera Kaam, Meri Pehchaan ("मेरा काम, मेरी पहचान") mission

With reference to the DTE Circular No. 2185, **Marathwada Mitra Mandal's Institute of Management Education Research and Training (IMERT)** had organized an Online session for our students and staff on 21st July 2025 on **"Eliminating single-use plastic from daily life" under "Mera Kaam, Meri Pehchaan ("मेरा काम, मेरी पहचान") mission"**. The session was conducted by Mr. Sagar Lakhotiya, project leader, "TERRE Policy Centre", an NGO committed to environmental preservation for over 15 years working towards sustainability and environment conservation. An impactful awareness session emphasized on the role of holistic, community-driven development in shaping a sustainable future Mr. Sagar Lakhotiya, shared valuable insights on how aligning one's work with personal identity fosters a sense of dignity, ownership and self-reliance, which are key pillars of the mission. He highlighted the importance of environmental stewardship, especially among the youth and underrepresented communities The session served as an inspiration for students and participants to actively contribute to sustainable development and become responsible stakeholders in nation-building. 39 Staff and students attended the session.
