### Brief report /Description on the event

In India, National Librarian's Day is celebrated on August 12th to honor the birth anniversary of Dr. S.R. Ranganathan, who is known as the "Father of Library Science in India". This day is dedicated to recognize the contributions of librarians and the vital role libraries play in academics as well as society.

The "Drawn to the Library" which is this year's theme encourages people to explore the different offerings of their local libraries, including research, study spaces, entertainment, and community connections. Key aspects of National Library Week 2025, as highlighted by the theme "Drawn to the Library" were Freedom to read and access information, Community connection, Diverse resources and services, Support for learning and growth.

In this view IMERT celebrated 133th Birth anniversary of Dr S.R Ranganathan by organizing Books Exhibition in the Library. As this day is a time to recognize the vital role libraries play in society, promoting literacy, knowledge, and community engagement, all staff members and students of IMERT participated in the exhibition. Program me started with honoring Dr S.R Ranganathan's Photo by Hon Dr Shubhangee Ramaswamy, Director IMERT. Then Dr Sarang Dani gave valuable inputs regarding importance of this day. Further all attendees participated in the exhibition. Entire session was Co-ordinated by Mr Satish Patil and Prof Pranjal Jadhav.
