### Brief report /Description on the event

The Placement Training inputs for MBA students at IMERT aim to enhance the employability skills of students and prepare them for corporate placements. These inputs help bridge gaps between academic learning and industry requirements, making students more attractive to potential employers. By focusing on key areas, the training enables students to develop a strong foundation for their professional careers, leading to improved placement opportunities and success rates.

With this Objective on 31<sup>st</sup> October 2025, renowned expert from corporate Mr Hrishekesh Dhande was invited to address students. Mr Dhande had 22+ years of experience in IT industry in various roles. He is Former Head - Academic Alliances Group (AAG) function for TCS Pune. He took up this role since 2016 to pursue passion towards Academia. He also has 13+ years of IT experience with emphasis on Client Interaction, Requirements Capture, Software Development and Testing. Currently, he is consultant working in Academia domain helping students and institutions for their betterment and employability. He briefed students on “The Agile MBA: How to cultivate a Growth Mindset and adopt to evolving Industry demands”.

His session was helpful for all the present students to get real world experiences.
