As part of **Vigilance Awareness Week**, Marathwada Mitra Mandal's Institute of Management Education, Research and Training (MM's IMERT) organized both **pledge taking** and **e-pledge taking** activities on 27th October 2025 to promote the values of honesty, integrity and transparency. A total of 12 faculty members and 49 students actively participated in the initiative. The pledge was administered to encourage individuals to uphold ethical conduct, remain vigilant against corruption and contribute to creating a transparent system. Participants also took the e-pledge through the official portal, reinforcing their commitment to the national vision of integrity in all spheres of life. The event served as an important step in sensitizing students and staff about the significance of ethical behavior and collective responsibility in building a corruption-free society.
