### **Brief report /Description on the event**

The year 2025 marks 150 Years of Vande Mataram. Our national song “Vande Mataram”, by Bankimchandra Chatterji was written during the auspicious occasion of Akshaya Navami which was on 7th November in 1875. Vande Mataram first appeared in the literary journal Bangadarshan as part of his novel Anandamath. 150 years of Vande Matram is a national commemorative initiative to celebrate the spirit of Vande Matram and its unique role in the history of India. Vande Mataram is not just a song, it is the collective consciousness of India and was the rallying cry of freedom fighters during the struggle for independence. On 1<sup>st</sup> October, the Cabinet approved country-wide celebrations for the 150th anniversary of 'Vande Mataram' to foster an impactful movement to connect citizens, especially our youth and students with the song's original, revolutionary spirit. The celebrations honored this timeless message and ensure its legacy embedded in the hearts of the next generation..

IMERT on this occasion organized a program where all the staff and students collectively sung the song along with its students and staff members. Hon. Director Dr Shubhangee Ramaswamy briefed the importance of the day to all the present students . Students were briefed about the history of the national song Vande Matram.

More than 141 students and staff members attended the celebration.
