On the Academic Performance and Ambience of the Institute

| Stakeholders | Feedback & Suggestions | Action Taken |
|--------------|--|---|
| Students | <p>Academic Performance: - Few certifications other than the syllabus is required.</p> <p>Ambience: - WIFI Facility for students is required</p> | <p>Academic Performance: - MM's IMERT has taken a proactive approach to enhance student learning by introducing and conducting various certification programs. These certifications are designed to equip students with industry-relevant skills, knowledge, and expertise, making them more employable and competitive in the job market.</p> <p>Certifications Offered</p> <ol style="list-style-type: none"> 1. HBSP (Harvard Business School Publishing) Certifications: IMERT has partnered with HBSP to offer certifications that provide students with a deeper understanding of business concepts, frameworks, and best practices. 2. NPTEL (National Programme on Technology Enhanced Learning) Certifications: IMERT has collaborated with NPTEL to offer certifications that focus on emerging technologies, innovation, and entrepreneurship. 3. Also EBEC Cambridge Certifications offered to the students <p>Ambience: - MM's IMERT has taken a significant step towards creating a modern and technologically advanced learning environment by providing a WiFi facility for students and staff members.</p> |
| Teachers | <p>Academic Performance: - Industrial Conclave and Conferences need to be organized at Institute Level</p> <p>Ambience: - SMART Gadgets are required for Faculty meetings.</p> | <p>Academic Performance: - MM's IMERT has demonstrated its commitment to fostering growth and development among students and teachers by strategically organizing and implementing industry conclaves and AIMS round table conferences.</p> <p>Ambience: - MM's IMERT has taken a significant step towards enhancing its meeting facilities by installing SMART TV sets connected to WiFi. This innovative setup enables seamless communication and collaboration among participants during regular meetings. With the SMART TV sets, faculty members and staff can easily share presentations, videos, and other multimedia content wirelessly, making meetings more engaging and interactive.</p> |

| | | |
|-----------|--|--|
| Employers | <p>Student Communication needs to improve</p> <p>Environmental issues related issues need to be addressed</p> | <p>Academic Performance: - By organizing the Industry Conclave, MM's IMERT aims to create a vibrant ecosystem that promotes innovation, entrepreneurship, and industry-academia collaboration. In response to the feedback, MM's IMERT has arranged for English communication sessions in collaboration with EBEK Cambridge.</p> <p>Ambience</p> <p>MM's IMERT has demonstrated its commitment to environmental sustainability by launching various initiatives like Mass Tre Plantation addressing environmental issues.</p> |
| Alumni | <p>Academic Performance: Placement Data need to be managed and organized properly.</p> <p>Increase Interaction with employers/Recruiters to understand the requirements of the market</p> <p>Ambience: - Practical Exposures need to be provided</p> | <p>Academic Performance: - MM's IMERT has demonstrated its commitment to supporting students' career aspirations by maintaining a comprehensive database of all students, categorizing them as placed and unplaced. This data-driven approach enables the institution to tailor its training programs to meet the specific needs of its students, ultimately enhancing their employability.</p> <p>MM's IMERT has taken proactive steps to facilitate meaningful interactions between students and employers/recruiters through various programs, including AIMS Round Table Conference and Industry Conclave 4.0</p> <p>Ambience: -</p> <p>MM's IMERT has demonstrated its commitment to providing students with hands-on learning experiences by offering various practical training and projects for experiential learning.</p> <ol style="list-style-type: none"> 1. Actual Field Projects: IMERT provides students with opportunities to work on actual field projects, allowing them to apply theoretical concepts to real-world problems and challenges. 2. On-the-Job Training (OJT): The institution offers OJT programs, enabling students to gain practical experience and skills by working in actual work environments. 3. Desk Research: IMERT encourages students to conduct desk research, analyzing case studies, industry reports, and other relevant data to develop their research and analytical skills. |
