Brief report / Description on the event

On 20th November 2025, our college had the opportunity to participate in “The Google for Education” event, hosted at the Google office in Pune. The event is aimed to explore a collaborative partnership between Google and higher education institutes to empower digital transformation and enhance learning experience. The event brought together Google experts and representatives from various institutions to discuss the benefits of Google workspace for Education and Chromebooks in securing campus infrastructure and promoting collaborative learnings.

The session featured several renowned speakers who shared their insights on benefits of Google Workspace for Education Plus and chromebook.

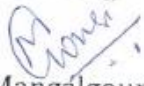

Mr. Vivek Nair, Workspace Lead, Education & EdTech, led an inspiring talk on “**Digital Campus on Google Cloud 3.0.**” He emphasized benefits of Google workspace for education Plus to the institutes. He focused on various facilities available in Google workspace such as Google Classroom, Google Meet,

This was followed by a inspiring talk of PADMAVATI JOSHI REGIONAL MANAGER, GOOGLE on Gemini in Workspace apps , Google Appsheets and Chromebook with Chrome OS.

The Last session was engaged by ADBHUT MISHRA CO-FOUNDER, CLOUDCOMPANIONS. He emphasized on CLOUDCOMPANIONS TECHNOLOGY PRIVATE LIMITED, Trusted Google Partner in India, Specialists in cloud solutions for the education and research sectors.

The event provided a valuable platform for institutions to explore Google's solutions, including Google Workspace for Education and Chromebooks, and understand how they can enhance security, streamline operations, boost collaboration, and reduce costs.

The event concluded with interactive Question and answer session followed by Networking Lunch.
