Since 1994

Marathwada Mitramandal's Institute of Management Education Research and Training organized a poster display on 23.01.2026 (Friday) to create awareness about **Ocular Trauma** among students. The display was arranged on the 2nd Floor Notice Board and the Library Notice Board.

The activity aimed to educate students about the causes, prevention, first-aid measures, and the importance of timely medical attention in cases of eye injuries. It also highlighted safety practices to reduce the risk of ocular trauma in daily life and during sports or laboratory activities. The initiative helped promote health awareness, personal safety, and responsible behavior among students.
