Orientation session on AICTE PARAKH Assessment

The Orientation Session on AICTE PARAKH Assessment was conducted on 16.03.2026 to familiarize students with the assessment framework and guide them through the registration process and upcoming assessment procedures.

The AICTE PARAKH (Performance Assessment, Review, and Analysis of Knowledge for Holistic Progress) framework has been introduced by the All India Council for Technical Education as part of its initiative to improve the quality of technical education and enhance the overall performance of institutions across India. The assessment aims to support students in achieving high-quality learning, better academic outcomes, and stronger skill development.

During the session, students were informed about the objectives of the PARAKH assessment, the importance of participation and the steps involved in the registration and assessment process. 23 students attended the orientation session.
