### REPORT ON INDUSTRY VISIT TO DYNAPAC, PHULGAON

Industry visit for students first year MBA Div. B was organised on 18<sup>th</sup> February 2026 at Dynapac , Fayat Group at Phulgaon , Pune. A batch of 34 students and 4 Faculty members visited. Industry visit was initiated and supported by Director of Marathwada Mitra Mandal's Institute of Management Education Research and Training. (IMERT) Dr. Shubhangee Ramaswamy.

Dynapac is committed to being **“Your Partner on the Road Ahead”**. Dynapac is determined to support in journey towards greater profitability, safety and environmental stewardship. It means that it will help forge new paths, shape key trends and offer new solutions to support on that journey. And it means that journey through application consultancy, personalized trainings; across numerous geographic territories and around the clock. At Dynapac, the commitment towards sustainability is integral to their strategy & success. In order to deepen employees' understanding of sustainability in the modern context and its significance at Dynapac, successfully launched a comprehensive sustainability training program across the entire division. Since rollout after the summer, over 1200 of Dynapac employees worldwide have participated. Training covers key topics such as environmental, social, and economic sustainability, global challenges, and the urgent issue of climate change. To ensure broad understanding, the training is delivered in both English and relevant local languages. Aligned with Dynapac's commitment to reducing its environmental impact, the training emphasizes the company's 2030 sustainability goals and KPIs. By fostering awareness and dialogue on these goals, Dynapac encourages employees to take measurable actions towards a more sustainable future.

H.R. executives of Dynapac introduced complete process and showed the students entire process carried out there. Dr Vinod Mohite, Prof Pranjal Jadhav, Prof Muskaan jain, Mr Satish Patil along with 34 students visited the company.
