As part of the World Environment Day 2026 celebrations, Marathwada Mitra Mandal's Institute of Management Education, Research and Training (MM's IMERT) organized a Tree Plantation Activity on the institute campus. The initiative aimed to spread awareness about the importance of environmental conservation and inspire sustainable habits among students and staff.

Under the guidance of Dr. Shubhangee Ramaswamy, Director, MM's IMERT, the activity was conducted with great enthusiasm and commitment. Faculty members, staff, and students came together to plant saplings and contribute towards making the campus greener and more environmentally friendly.

To enhance the beauty and greenery of the campus, flowering plants were planted at various locations within the institute premises. The activity was successfully coordinated by Prof. Swati Ghude. The event received active participation from all participants and reflected the institute's ongoing efforts to promote environmental responsibility and create a greener future.
