On the occasion of World Senior Citizens Day, a special Sabha was successfully conducted at Marathwada Mitra Mandal's Institute of Management Education, Research and Training (MM's IMERT), Pune, under the guidance of Dr. Shubhangee Ramaswamy, Director, MM's IMERT.

During the Sabha, a meaningful discussion was held on the importance of respecting, caring for, and supporting senior citizens. The valuable contributions, experience, and wisdom of senior citizens in families and society were highlighted. Emphasis was also placed on ensuring their dignity, well-being, happiness, and active participation in society.

The discussion further focused on the responsibility of younger generations to understand the needs of elderly people and provide them with emotional support, companionship, and care. It was highlighted that small gestures such as spending quality time with them, listening to their experiences, helping them in their daily activities, and treating them with patience and kindness can make a significant difference in their lives.

The Sabha concluded with the message that senior citizens should always be treated with love, respect, and care. Their lifelong contributions, sacrifices, and valuable guidance should be recognised and appreciated. The programme served as a reminder that respecting senior citizens is not merely a social responsibility but also an important value that strengthens family bonds and promotes a compassionate society.
